

APPEAL NO. 040207  
FILED MARCH 9, 2004

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on January 6, 2004. The hearing officer determined that appellant (claimant) did not sustain a compensable injury and that he did not have disability. Claimant appealed these determinations on sufficiency grounds and also contends that the hearing officer erred in admitting an exhibit. Respondent (carrier) responded that the Appeals Panel should affirm the hearing officer's decision and order.

DECISION

We affirm.

Claimant contends that the hearing officer erred in admitting an exhibit in this case. However, claimant stated that he did not have any objection to carrier's exhibits. Therefore, any possible error was waived.

We have reviewed the complained-of determinations and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We conclude that the hearing officer's determinations are supported by the record and are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.

According to information provided by carrier, the true corporate name of the insurance carrier is **LUMBERMENS MUTUAL CASUALTY COMPANY** and the name and address of its registered agent for service of process is
